

The Bible is God's Word

"When you hold your Bible you are holding the very words of God!"

Have you ever thought about how amazing your Bible is? The Bible is God's Word! How cool is that??? Douglas once got to see a letter that was actually written by Abraham Lincoln (one of the most influential presidents of the United States). And he was amazed to think that he was looking at a piece of history, something written by someone incredibly famous. But that wasn't nearly as amazing as what Douglas realized when he got home.

When Douglas sat down to read his Bible that night, he realized that what he was holding in his hands was WAY MORE amazing than the letter he got to see at the museum. The Bible says that all Scripture is God-breathed, and useful for teaching, rebuking, correcting, and training in righteousness. That means that everything in your Bible is incredibly important. So, when you read your Bible, you are reading the very words of God!
